

FOR IMMEDIATE RELEASE

The Council of Patriots Executive Committee Unanimously Votes to Remove Joseph Vallai as Secretary General and Expel Him from the Organization.

Monrovia, Liberia

July 12, 2023

The Executive Committee of the Council of Patriots (CoP) held an emergency meeting last evening to address the recent actions of the Secretary General, Joseph Vallai. The committee discussed the gross insubordination and reckless behavior displayed by Mr. Vallai, who issued a press release falsely claiming the expulsion of Mr. Henry Costa, the Chairman of the CoP.

The press release issued by Mr. Vallai contained false, misleading, and atrocious statements regarding Mr. Costa's purported expulsion, citing baseless reasons. The executive committee firmly condemns these actions as they do not reflect the principles and values of the Council of Patriots.

Following thorough deliberation, the executive committee of the CoP voted unanimously to remove Joseph Vallai from his position as Secretary General. Additionally, the committee has decided to expel Mr. Vallai from the Council of Patriots, effective immediately.

The Council of Patriots remains committed to its mission of advocating for the rights and welfare of the people. The organization will continue its work under the leadership of Mr. Henry Costa, who retains his position as the Chairman of the CoP.
